- Docket No. 2019-290-WS - Application of Blue Granite Water Company for Approval to Adjust Rate Schedules and Increase Rates

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

We are customers of Blue Grantie

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

As customers, you can view our invoices and see that we are struggling to pay what is due now. Our water from City of Columbia is lower than our current bill for sewer? Why is there a difference? How can you get rid of more than what you receive? The increase to \$101.00 per month will make our invoices past due every single month.

We want to own a home that we can afford to pay utilities and put some aside to maintain the maintenance of our home. Right now we are doing the best we can just pay the day in and day out expenses. To receive assistance I was told by a public employee was to go back to my employer and ask for a decrease in my raise and they could help my family. I informed them I have not receive a raise, and if I do that who is going to put food on my table? Please do not allow an increase, or we will have to move and search for a septic and well that we can maintain and afford.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*

Unfortunately, due to past bills we can not afford a day off; but please use the above to prove that we are a struggling family; just trying to live day in and day out to make our children have a life without the fear that the sewer will be turned off.
